

# Savings Goals Worksheet

Think of goals as dreams with deadlines. The first step in personal financial planning is to know what you want and then make a plan on how to get there. Be S.M.A.R.T. when establishing your goals: Specific, Meaningful, Attainable, Realistic, and Time-Related. In establishing your financial goals, remember to include building an emergency fund and paying down debt. Use this form to help you identify your need for emergency savings, short- and long-term financial goals, and a time frame for achieving them.

## Step 1: Short Term Goals

Financial goals you wish to achieve in one year or less.
